2 May 1984

OC-MLS WEEKLY STAFF NOTES
FOR WEEK OF 23-27 APRIL 1984

25X1

2. Significant reprogramming actions totaling \$1,700K have been taken to meet unfunded requirements for the second phase of the Automated Relay Switch (SPARS), emergency power, and the Special Activities Facility (SAF) in the Telecommunications Branch, HFG/DND.

3. A background booklet on Office of Communications' FY-86 New Initiatives has been prepared for the D/CO's use in a further DA review of FY-86 New Initiatives.

4. One million dollars has been received from the Office of the Comptroller to satisfy the hard unfunded requirement for accelerated terminal installation.

25X1

25X1

6. We were called by [] DDI/AF/ALA regarding a response from OC on their second request for an increase of CDS distribution to their analysts. She not only desired to know when the response was being sent, but also stated that her Division has another requirement for additional distribution to another analyst position which is being established.
